Fresh, innovative custom interiors.

Nathan Vanags Design is an award winning, full service, luxury modern interior design firm, specializing in custom residences and boutique commercial properties. From restaurants, hotels and high-end multi-family living to luxury residential interiors and vacation homes, we serve our valued and respected clientele through a system of satisfaction by design. We rely on experience, expertise, and impeccable integrity to complete projects on time, on budget, and with consistently pleasing results.

Nathan Vanags Design offers a full range of concept-to-installation services including interior architecture, custom furniture design and art acquisitions. Seamlessly executing commissions all over Florida, Nathan personally oversees each project with the support of a dedicated team, with over 50 years of combined professional experience.

Equally adept at crafting a bold, lavish, avant-garde master suite with a palette of tone-on-tone saturated blues to create a regal masterpiece or a chic lady-of-the-house's home office with in shades of Tiffany Blue, Nathan Vanags Design offers livable luxury and a harmonious mixture of modern, bespoke furnishings, art and accessories that feel timeless.

Every project is a collaborative venture that addresses form and function, architecture and aesthetics in a process individually tailored for each client's unique needs. "Design is not a product, it's an experience" -- that is the philosophy the Nathan Vanags Design team lives by. We curate an environment that caters to you.

Our showroom is located in downtown, Orlando, Florida's Thornton Park District, centrally positioned to serve our clients throughout Florida, including: Orlando, Winter Park, Lake Nona, Windermere, Celebration, Thornton Park, Heathrow, Winter Garden, Lake Mary, Oviedo, Winter Springs, College Park, Dr. Phillips, New Smyrna Beach, Melbourne, Cocoa Beach, Ft. Myers, Naples, Daytona Beach, Tampa Bay, Palm Beach and Miami.

RESIDENTIAL

At NVD, our goal is to make the design-build process an enjoyable one for our clients. Experience has shown us that knowledge of standard procedures helps clients feel comfortable for the duration of the project.

COMMERCIAL

We focus on public spaces, community living, and hospitality design. Our boutique approach is personable and unique for every client.

FURNISHINGS

Furnishings tie everything together. We will elevate your next corporate or in-home gathering by providing you with design, procurement, and installation services.

SERVICES

What We Offer

At Nathan Vanags Design, we offer a full range of customizable services and packages for new-construction projects or renovations. Our first step is always an initial consultation. We will get to know you and your project by identifying a clear scope of work and submit a proposal outlining our flat fee to produce and execute the design.

We are experts in space planning, construction documents, budgeting, brand enhancement, window coverings, color and finish coordination, product specifications, and project management. We offer a wide range of services that can be customizable for any project. Here are just a few of the services we provide:

- Space Planning
- New Construction Design
- Renovations
- Remodeling
- Furniture Procurement
- Floor Plan Development
- 3-D Renderings
- Cabinetry
- Counter Tops
- Flooring
- Lighting & Electrical
- Kitchen & Bathroom Fixtures
- Windows
- Doors
- Window Treatments
- Paint & Wall Treatments
- Molding & Trim
- Architectural Enhancements

The Consultation

Explore project ideas, budgets, inspiration, finishes, and clearly identify the goals you have for your home or business. Nathan uses this design consultation to talk freely and openly about how NVD will approach your project and answer important questions regarding *timeline*, *budget*, and *trades* that need to be involved.

Design Services

Nathan creates a customized approach to each design project. After agreement on the overall project goals, we execute our design work with precision and expertise. Our clients appreciate our attention to detail as we leave nothing undecided or uncovered at our design presentation. This is a unique quality NVD brings to the table to streamline the design/build process and consistently complete projects on time and on *budget*.

Goods & Services Procurement

We source, present, and propose design solutions based on an agreed to scope of work for a *flat fee* with no obligation to purchase. We align with our clients to procure goods and services needed to execute the design project successfully. Our clients appreciate our transparent purchasing agreements. We offer a wide range of products that fit most *budgets* and we will even help you identify a realistic *budget* before we get started.

Styling Service

Our styling services include the placement of artwork, accessories, pillows, sculptures, florals, graphics for business, and much more. Our styling services can be paired with a construction project or selected for the big party you are ready to host. We love instant gratification, and a corporate party or housewarming is an exciting task for us to jump at.
